## **SHOW AND TELL**

BILL NN7K brought in an old multipurpose meter kit MX-815

A very rugged piece of equipment, it is very heavy even without the batteries.

Chris AF7MP brought in a light weight ATU (ATU – 100 EXT) he can use it with his rig when operating in the field it can handle 100 watts. If your interested in getting this for your operation contact Chris.

## **QUESTIONS**

I was sitting next to Rick KK7HZS who is studying for his Genera. I mentioned that this is a place that you can questions about radio, and that there is a lot of information you can get from our members.

Rick had some questions about antennas and Derek W7DLZ was glad to help with his questions.

As usual there was good conversations going around the table, also the food was good.

Hope to see you all next month.
