### **ANNOUNCEMENTS**

The next Slow Speed NET will be on September 5, 2024, at 7.045 MHZ 10:00 AM.

Ed went on to say how things were in Hidden Valley Park. The park was hit by a massive flash flood, they have been hauling tons of dried mud out to clean up the park. The park has been closed for more than a month now and no telling when it will be reopened. I have been operating the CW Slow Speed NET once at Mira Loma Park, and the other from my home. I hope by September 5, I can host the NET from the park.

### **SHOW AND TELL**

Bob

John Bylery N7ROT lent Bob to show the group. (tr) uSDX 5 band transceiver, the rig is very small.

Bill passed around a card the size of a credit card, nobody knew just what it was. He announced at the end of the meeting that is a directional antenna for 2.5 GB
