

RENO QRP GROUP SLOW SPEED CW QRP NET REPORT

Hi all

Attached is the log of our last slow speed NET March 9, 2023

The NET was held from Hidden Valley the weather was sunny and calm temp about 40 F a good day in the field. NET started on time at 11:00 am on 7.045 MHZ. The noise level was S3 SFI 182 A index 8 K index Xray C3.4

There were 7 check ins. Mike WA6ARA, Derek W7DLZ, Woody K1LB, Phil WB7WE, Roy W7HJL, Van W7IEX, and Bob KA6NSN.

Mike from Ridgecrest, CA was first up his RST 589 When I called Mike he didn't return.

Next was Derek very strong signal from Peavine Mt. at a POTA park K4391 using his IC 705 at ten watts in the field on a nice day like this.

Woody from home on his TS 890 at 10 watts he was 599 + ten over easy copy. Woody gave a good report including the weather.

Phil was next from his home in NW Reno using his IC 7300 at 15 watts into his end Fed inverted "L" Phil gave RST reports for the NET.

Roy from Walla Walla WA had a good copy signal at 579 he was using his K3 at 15 watts into his vertical antenna. He gave complete RST for all on the NET also he reported the weather as overcast with a temp of 40 F and a slight breeze.

Van from home using his FT DX 3K at 10 watts into his Butternut vertical, had RST of 599 + 10 over. Van also gave RST reports for all.

Last was Bob from Quincy, CA his RST to me was 599 his weather was part cloudy and calm temp was 32 F he reported that he had 5 to 10 ft of snow on his deck and is looking forward to rain. He was using his Yaesu FT 757 GX at 10 watts into his COBRA antenna at 20 feet high.

At last comments Derek mentioned that he would operate his POTA station on freq. right after the NET for those who want a POTA QSO.

The NET was closed at 11:58 AM

The next NET will be March 23, 2023, starting at 11:00 AM

Hope to hear you all again. 73/72 Ed/WD7Y
